Fjordcruise to Flåm

Travel along Norway`s longest and deepest fjord, The Sognefjord, also knows as the "King of Fjords". On board you can enjoy the views through panoramic windows in the lounge or go out on the large sundeck for an invigorating experience at the very "heart" of Fjord Norway. On your way to Flåm, we do recommend you make a stop at one of the charming settlements along the fjord, explore the area and continue your travel the next day.

Fjordcruise on the Hardangerfjord

Join us on a magnificent adventure on the "Queen of Fjords", the Hardangerfjord. Travelling along the fjord from Norheimsund, you`ll see beautiful villages and rural districts surrounded by majestic mountains with snow-covered peaks. You can choose to take the fjordcruise all the way to Eidfjord, or make a stop in one of the other charming villages on the way.
